PRICE SENSITIVE INFORMATION (PSI)

This is to notify all concerned that the Board of Directors of **Dominage Steel Building Systems Limited**, in its meeting held on **25 April 2026**, has decided to sell **30,780,000** no. of share or **30.00%** shares from their holding at a negotiated price through an off-market transaction.

The company will submit an application to the Bangladesh Securities and Exchange Commission (BSEC) seeking approval for the said transfer. To sale the said shareholding of the existing Directors of **Dominage Steel Building Systems Limited**, a sale agreement shall be executed soon with the proposed buyers: **Akij Resources Limited, Sheikh Jasim Uddin, and Faria Hossain**.

Upon completion of the regulatory process and approval from BSEC, a new Board of Directors will take over the management and operations of the company.

Akij Resources Limited is one of the largest conglomerates in Bangladesh, with a significant footprint in the steel and construction industry through its subsidiaries. With the transition to new management, **Dominage Steel Building Systems Limited** is expected to fully resume and optimize its production activities, addressing recent operational challenges. The Board believes that this development and the synergy with the buyers' existing steel infrastructure will have a positive impact on the company and provide long-term value to its shareholders.
